## FEATURED PROJECT: CUTTING BOARDS

Cutting boards are a simple, rewarding project for woodworkers of all skill levels. Beginners can quickly create a project they'll be proud of, while experts can push boundaries and craft beautiful, one-of-a-kind works of art.

Skill Level: Any  
Estimated Time:  
1 Afternoon

SEE HOW IT'S DONE

### LEARN

by talking to an expert at Woodcraft, by taking a class, reading a reference book or watching one of our instructional videos.

### SELECT

your wood. Start with a cutting board kit or mill your own lumber.

### ASSEMBLE

your cutting board by arranging and gluing your pieces. Once dry, sand or mill it flat.

### PERSONALIZE

your board by routing it into a unique shape with one of our many templates, adding a juice groove or incorporating handles.
