

Handle Pattern

Use 1/4" hardwood plywood or similar material to make the handle template. Saw just outside your outlines, then carefully finish up by filing and sanding.

Printing Notes for Adobe Acrobat (8 1/2 × 11"):
In the print menu, select "Actual size" under Size Options. Click the "Poster" button under Page Sizing & Handling. Click Print.

Printing Notes for Adobe Acrobat (8 1/2 × 14"):
In the print menu, select "Actual size" under Size Options. Click Print.
