Deco Style Pens

142505, 142506, 142507

Due to a change by the manufacturer these pen kits now contain two different length tubes. The longer tube must be used for the lower barrel when assembling the pens.

We are sorry for any inconvenience this may have caused. If you are not satisfied with this product for any reason, please feel free to return it for a full refund, credit, or exchange.
